THE BIG GAME TO-DAY

Between Wheeling and Bethany College Elevens Will Attract a Record Breaking Crowd.

The afternoon, at the Island ball in or shine, will be decided the championship of West Virgin-hat will be the big Thanksgiving itraction of the day. It will be a de-ded treat to all lovers of the great game, and that it will be a hotested and exciting struggle goes saying. Bethany college is neluding Harry Duffey, of W. Lafayette college fame, and Curtis, who needs no introducon to Wheelingites. Wheeling will be epresented by the fastest players in Greater Wheeling district, and the

the Greater Wheeling district, and the big crowd will have many opportunities to appland.

Owing to the great local interest in the W. & J.-Duquesne game at Pittsburgh, the progress of this notable struggle will be announced at the ball park, while the Bethany-Wheeling battle is on, arrangements having been made with Manager C. R. Tracy, of the Western Union office. This-move is criain to be appreciated, especially by those who had desired to go to Pittsburgh. The announcements for the W. & J.-Duquesne game will either be bulletined in front of the grand stand or transmitted by the giant megaphone, which is to be used in detailing every play of the local game.

There promises to be no end of enturishment of the total game.

There promises to be no end of enturishment of the total game.

Admirers of Bethany will wear its green and white, and the Wheeling alumniheaded by City Engineer A. L. White, a trustee of the college, say they will be heard from. A feature of the rooting for the home team will be that of the Wheeling high school delegation, who will wear the school's colors and yell for young George Hoge, who is to play right half-back for the Wheelings. Hogs was moved over from left to right half by Capiain Frank Kincheloe yesterdy.

right half by Captain Frank Kincheloe yesterday.

As space is to be reserved for carriages, many will be the traps and others mart turn-outs. Not the least of these will be the old W. A. C. boys, among them Lester Dillon and Jesse McCausland, who have chartered two band wagons, one of which is an old elecus charlot. They will lavishly display the red and blue.

The refere's whistle will sound at 3 p. m. and there will be intense suspense following the kick-off, for the champlonship of West Virginia hinges on the game's result. The collegians have a good team and no mistake, and Wheeling will not have any advantage in weight. The home team has got into good shape the last few days, and the final touches to their training were given in a secret practice in the signals last night at the Carroll Clus ymnasium.

The Island hall park has the only

mais last night at the Carroll Club gymnasium.

The Island ball park has the only good football gridiron in the city, and it will be kept free from any crowding by the spectators, by means of ropes and stakes and a squad of Captain Clemans blue coats. Manager Cochran and his team and rooters will arrive from Bethany this morning. The Stamm will be their headquarters. The college glee club is to liven things at the game. Henry Starkey, living on Lima street, Parkersburg, who is employed at Brudford's store, says: "I was sreatly annoyed with a severe aching across the small of my back just over the kidneys. I was nervous and sleepless; in the morning I would feel tired and worn out, my sleep did not rest me. I decided that my kidneys were out of order.
